3 Programming / Installation Information: (confidential, for use by engineering / production / contract manufacturing staff)

4 Release Notes: (confidential, for use by engineering / production / contract manufacturing staff)

Changes:

Cross Wire Protection: Roadie projectors check for the situation where multiple projectors are cross-wired.

Addition of (BCW ...) serial command to enable / disable cross-wire protection.

Additional item to enable / disable is in the service menu on-screen. Additional back control panel menu is available when in standby (bring up lamp power menu and press down arrow to activate menu).
